

About Asian EFL

The Asian EFL Journal is published monthly and presents information, theories, research, methods and materials related to language acquisition and language learning. An academic Second Language Acquisition Research Journal. The Asian EFL Journal is one of the world's leading refereed and indexed journals for second language research.

Professor Roger Nunn of the Petroleum Institute, UAE is the Chief Editor and Dr. John Adamson, University of Niigata Prefecture, Japan, Oversees Academic Standards.

Featured Journal Article

**A Comparison and Contrast of Discourse Patterns among Three Groups' Essays and the Implications for Teaching English Writing in Chinese Tertiary Education.**

Abstract

This paper analyzes discourse patterns among three groups of English learners at the China Agricultural University by means of criteria of English writing conventions, and puts an emphasis on conducting a critical literature review of various research, theories, claims and points of view.

Featured Thesis

**Analysing the English communication needs and difficulties of Journalism undergraduates in Hong Kong**

Abstract

This research investigates the English communication needs and difficulties of Journalism undergraduates in Hong Kong. Journalism students learn how to conduct interviews and write news stories in English on their degree courses, which shows their communication needs in English;

Featured Teaching Article

**A Qualitative Study Exploring the Content Learned in English as a Foreign Language Classes Taught by Native Speakers**

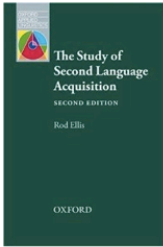

Abstract

The growths of the global economic environment, the availability and accessibility of transportation, and the advancement of information and communication technologies have created a new focus on English education.

Notice

From August 15th changes will be applied to some sections of the journal. Members will have full access to the professional teaching articles and thesis section and quarterlies will be by institution or individual subscription.
